

Shree Chargam Dasha Porwad Mahamandal

Shri Nagindas Jethalal Mehta Education Fund for Law Studies

General Details of the Scheme

1. Objective of this Fund is to promote and encourage young aspiring persons to take Law Studies with a view to make Law as a career. Law can be a career either as professional practitioner (as Lawyer, Advocate, Solicitor, etc.) or by holding positions of responsibility in the corporate world, institutions, judiciary and such other places. Law studies here would include full-time studies leading to the degrees such as LL. B. (Special), LL. M., Solicitor, etc. from leading colleges/ university, national institutes of law and other institutes of repute. It would exclude part-time courses and LL. B. (General).
2. The Scheme will have following components:
 - a) Scholastic Medal to be awarded to the best performing Law Graduate/ Post-Graduate in the entire Chargam Dasha Porwad Community, based on the performance during Final Examination and preceding years as considered appropriate by the deciding panel for this scheme (details of the panel given in point No. 4 below). Scholastic Medal would be of 35 to 40 gm. pure silver with Donor/ Scheme Name, CDPMM Logo or Donor's Sketch, Awardee's name, Degree/ Course completed and Date of award, on the same line as Scholastic Medal Scheme for Professional and Post-Graduate Studies in various disciplines. (Current cost of medal is about Rs. 2,500 to Rs. 3,000/-. Die cost will be borne by the Donor.)
 - b) Encouragement cash prize to the best performing student in each year of Law Studies (probably three years). Suggested cash prize value is Rs. 500/- at this stage.
 - c) Financial assistance to the needy students to meet educational expenses on case-to-case basis. Maximum assistance per student will be Rs. 5,000 per year or 50% of annual expenses for education, whichever lower.
3. Current size of this fund is Rs. 1.00 lac. Budgetary provision out of interest earned on fixed deposit of this fund for this assistance is Rs. 6,000 per year. It is believed that number of persons pursuing Law career at present are limited, hence every year there would not be candidates for all the three components stated above. It is therefore considered that, budgetary provision though small would suffice to start with. However the donor has shown willingness to supplement budgetary provision by further annual donation from year to year if genuine requirement for the scheme is for higher amount.
4. Decision for grant of Medal, Prizes and Financial Assistance under the scheme will be made by 'Education Panel' consisting of (i) Convenor for Educational Schemes, (ii) President, (iii) Hon. Secretary and (iv) Managing Committee Member. Convenor along with members of concerned panel(s) shall ensure that the objectives, eligibility criteria and other details of the approved scheme/ fund are fully considered without making any deviations and decisions are taken objectively and impartially. Summary details of the applications received, decision process, eligibility and other decision criteria and actual decisions arrived at shall be recorded in appropriate note. Convenor of the scheme shall duly inform in writing the Donor/ Donor's Representative about the process and decisions arrived at. Panel members' names shall be recorded in the minutes of MC meeting. Decision taken by the panel shall be final.
5. Every year, the scheme will be announced in October for (a) and (b) components in point 2 above, and in April for (c) component. The announcement will be made on the web-site and also in the quarterly Mukhpatra 'Samachar' of CDP. Applications will be received by the convenor of Educational and Final Decision will be reached within 3 months from the date of announcement.
8. In case there are number of deserving cases qualifying under the scheme and budgetary provision is falling short, donor will be approached by the convenor for supplementary donation, which will be at donor's discretion. Donor's prior consent for supplementary donation shall be taken before taking final decision for

financial assistance exceeding budgetary provision. Unutilised budgetary provision can be carried forward for maximum two subsequent years.

9. Specific application forms for the Scholastic Medal as well as Financial Assistance are attached for ready reference. For prizes, only the detailed mark-sheets will be required to be submitted.
